CORAM; A.M.KHANWILKAR J.

DATED l9.l.2006

P.C.

l. Heard the learned counsel for the parties. Perused the application and the reply affidavit. I find no substance in the application taken out on behalf of the Corporation. The delay of one year and 76 days is not at all explained. The explanation offered in the application is vague. In any case no satisfactory explanation is forthcoming for the period of over one year and 76 days. The casual manner in which the

explanation has been offered in this application that the papers were misplaced and thereafter were traced and steps were taken is not acceptable as sufficient cause. Hence this application as well as the appeal are dismissed.
